Dear all,

With great pleasure, De Nederlandsche Bank invites you to this year's DGS Seminar on 21 November, titled '**Protecting depositors in challenging times**'.

Since the financial crisis of 2008, we have been building together on a stronger deposit guarantee scheme (DGS). There have been many important developments and reforms to improve the functioning of the DGS. Recent challenging times have demonstrated the effect of these reforms and how we have successfully created a trustworthy DGS.

In April, the DGS was activated because of the bankruptcy of Amsterdam Trade Bank. Seven months later, we would like to share and discuss with you what this experience has taught us. During this interactive seminar, we will guide you through the most important aspects, developments, and practical insights with a particular focus on the most recent DGS payout.

Please use [the link](#) to indicate if you would like to join the event and whether you would like to participate in person or online.

De Nederlandsche Bank is organizing the DGS-seminar at its temporary office at Spaklerweg 4 in Amsterdam (next to Amsterdam Amstel Station). The program begins at 13:30 and ends around 18:00. Due to a maximum capacity in the venue, we ask you to use [this link](#) to indicate if you would like to join the event and whether you would like to participate online or in person. This ensures we can host a meaningful hybrid event catering to the online and offline preferences of participants.

The final program will be provided to you at a later stage.

We are looking forward to hearing from you!

Kind regards,
DGS-Team
